

Preliminary Amendment

Page 3 of 3

Applicant(s): Thomas KLETTKE et al.

Serial No.: 10/524,301

Confirmation No.: 6371

Filed: 4 February 2005

For: PREPARATIONS BASED ON AZIRIDINO POLYETHERS AND THE USE THEREOF

Remarks

The amendment on page 23, line 23, corrects an error in the cited patent number that occurred during the English language translation of the National Stage application. As such, the correct patent number is supported, for example, by page 24, line 21 of the PCT International Application Publication Number WO 2004/014323.

An amendment was made on page 27, line 16 to correct an obvious typographical error. The correction is further supported, for example, by originally filed claim 13.

Please enter and consider the amendments presented herein. No new matter has been added.

Conclusion

The Examiner is invited to contact Applicants' Representatives at the below-listed telephone number, if there are any questions regarding this Preliminary Amendment or if prosecution of this application may be assisted thereby.

Respectfully submitted
